

Revenue Service to implement Obamacare. In that report, the GAO described a “full time equivalent,” or “FTE,” as: “a measure of staff hours equal to those of an employee who works 2,080 hours per year, or 40 hours per week for 52 weeks.”

During consideration of the Budget resolution last month, the Senate adopted my amendment calling for legislation setting a more sensible definition of a “full time” employee for purposes of Obamacare penalties. That amendment was endorsed by the National Association of Manufacturers, and the National Education Association. The fact that these two organizations—typically thought of as bookends on the political spectrum—would agree that Obamacare’s definition of a “full-time” employee is broken illustrates how out-of-step it truly is.

Under my bill, a “full time” employee would be someone who works a 40-hour week. This is a sensible definition in keeping with actual practice. I urge my colleagues to support it.

SUBMITTED RESOLUTIONS

SENATE RESOLUTION 95—RECOGNIZING LINEMEN, THE PROFESSION OF LINEMEN, THE CONTRIBUTIONS OF THESE BRAVE MEN AND WOMEN WHO PROTECT THE PUBLIC SAFETY, AND EXPRESSING SUPPORT FOR THE DESIGNATION OF APRIL 18, 2013, AS NATIONAL LINEMAN APPRECIATION DAY

Mr. ISAKSON (for himself and Mr. BENNET) submitted the following resolution; which was considered and agreed to:

S. RES. 95

Whereas the profession of linemen is steeped in personal, family, and professional tradition;

Whereas linemen are often first responders during storms and other catastrophic events, working to make the scene safe for other public safety heroes;

Whereas linemen work with thousands of volts of electricity high atop power lines 24 hours a day, 365 days a year, to keep electricity flowing;

Whereas linemen must often work under dangerous conditions far from their families to construct and maintain the energy infrastructure of the United States;

Whereas linemen put their lives on the line every day with little recognition from the community regarding the danger of their work; and

Whereas April 18, 2013, would be an appropriate date to designate as National Lineman Appreciation Day: Now, therefore, be it

Resolved, That the Senate—

(1) recognizes the efforts of linemen in keeping the power on and protecting public safety; and

(2) supports the designation of April 18, 2013, as National Lineman Appreciation Day.

SENATE CONCURRENT RESOLUTION 12—EXPRESSING THE SENSE OF THE CONGRESS THAT OUR CURRENT TAX INCENTIVES FOR RETIREMENT SAVINGS PROVIDE IMPORTANT BENEFITS TO AMERICANS TO HELP PLAN FOR A FINANCIALLY SECURE RETIREMENT

Mr. ISAKSON (for himself, Mr. MURPHY, Mr. BLUMENTHAL, Mr. PORTMAN, Mr. TESTER, Mr. CARDIN, Mr. BOOZMAN, and Mrs. HAGAN) submitted the following concurrent resolution; which was referred to the Committee on Finance:

S. CON. RES. 12

Whereas private retirement plans in the United States paid out over \$3,824,000,000,000 in benefits from 2000 through 2009, while public sector retirement plans paid out \$2,651,000,000,000 during the same period, with both playing an essential role in providing retirement income for millions of our Nation’s senior citizens;

Whereas there are approximately 670,000 private-sector defined contribution plans that are currently covering 67,000,000 participants, and over 48,000 private-sector defined benefit plans covering 44,000,000 participants;

Whereas \$4,700,000,000,000 is held in 401(k), 403(b), 457 and similar defined contribution plans, \$2,300,000,000,000 is held in private defined benefit plans, and another \$4,900,000,000,000 is held in Individual Retirement Accounts, largely consisting of funds rolled over from employer-based retirement plans;

Whereas from 2000 through 2009, employers have contributed almost \$3,500,000,000,000 to public and private retirement plans;

Whereas tax incentives are an important impetus for individuals to save for retirement and for employers to offer plans under our voluntary system;

Whereas generally, the taxation of amounts contributed to pension and retirement plans is simply deferred, not lost;

Whereas more than 70 percent of American workers making between \$30,000 and \$50,000 a year contribute to their own retirement when covered by a retirement plan at work;

Whereas under current law, if business owners and managers sponsor a retirement plan, they also must cover and provide benefits to lower-income and middle-income employees;

Whereas 401(k) and similar defined contribution plans have been enhanced over the years by Congress on a bipartisan basis;

Whereas the private retirement system in the United States is voluntary and is dependent on the willingness of business owners and corporations to adopt and maintain retirement plans; and

Whereas the United States system of employer-based retirement savings is designed to work together with other personal savings and the Social Security program to provide meaningful income replacement upon retirement: Now, therefore, be it

Resolved by the Senate (the House of Representatives concurring), That it is the sense of the Congress that—

(1) tax incentives for retirement savings play an important role in encouraging employers to sponsor and maintain retirement plans and encouraging participants to contribute to such plans;

(2) existing tax incentives have increased the number of Americans who are covered by a retirement plan; and

(3) a reformed and simplified Federal tax code should include properly structured tax incentives to maintain and contribute to

such plans and to strengthen retirement security for all Americans.
